Crave Invoice License Key make money online with google generator A: Your crack does not contain CraveInvoice v2.9.3.2, but another application named xaview (wich you can find in your crack in "taskpane/cloak-admin/admin_files/nfo/CraveInvoice-2.9.3.2.nfo") and with other functions, like antivirus and do many other things that your crack does not contain, since it's fake. Did the crack come from the sha256sum of the file you posted? If yes, it's good; if no, it's bad, because this file is not used by a legitimate crack. If you really want to download CraveInvoice v2.9.3.2, you must do it from a reputable and trusty website, like Softpedia, which will make sure you won't be infected with malware. Also, you need to check what crack you've downloaded, because this crack is a fake and for nothing. I suggest that you download it from Softpedia. Fake Software A: It is possible to hack software with autorun.inf. Let's say you crack the file by an anti-virus software, it is very unlikely that the cracking software will run after the cracked file is removed. Use any program to search for autorun.inf, if it exists, it's most likely not your cracked file. Alternatively, you can check if the malware is 32/64-bit software and how big it is, if it is a malware that has to be downloaded
